

Millions of cats are not receiving the health care they deserve

It's time to do something about it

Help Millions of Cats Receive the Lifelong Care they deserve

CATalyst Council is seeking Grant Applications for innovations to accelerate the quality of life for cats across North America!

Opportunity

The Catalyst Council grant program will begin accepting applications **on June 1, 2023**. All applications must be received by August 31, 2023, for consideration for the 2023 awards announced on December 1, 2023, for the 2024 calendar year.

Focus Area

Grant proposals will support programs, initiatives, or project(s) designed to demonstrate innovative, evidence-based approaches that drive and increase service models for cat wellness and /or participation in the feline healthcare system. The successful applicant will demonstrate that their project is testing or otherwise materially contributing to a **novel** and **scalable** approach with broad impact for increasing the medicalization of cats. Such a project will generate **specific** and **measurable** insights that can be shared broadly within the animal/feline health ecosystem to transform the future of feline health.

Eligible Applicants

Grantees must be located in the United States or Canada and will be either: (i) an educational institution, (ii) an individual or entity using the funds exclusively for grant purposes or (iii) an organization exempt from federal income tax under US or Canada law.

Awards

Grant awards will be made in variable amounts up to \$20,000.
